PARENT/GUARDIAN AUTHORIZATION:

I, _____, confirm that the times written on this chart by _____ are accurate.

I understand the following:

- Only correctly filled out forms will be counted; times should be reported like this: 3:00-3:15, 3:50-4:15, etc
- Practice, for the purpose of this exercise, is defined as time spent individually by the student playing the instrument
- “Practice” does not include time in strings class, private lessons, or ensemble rehearsals
- Students are encouraged to practice in reasonable increments, taking breaks for health and concentration; break time does not count as practice time
- Parents are asked to submit their child’s practice log by 6:00PM on the Saturday that ends each practice week by either text or e-mail (616.828.8321 or dreimer@greatlakescfa.org). The final paper copy should be turned in during class the week of March 1.

I pledge to encourage my child to exercise good sportsmanship in the DGSP Practice Challenge.
